Pet Emergency Folder Checklist

Gather these 16 items into one folder so you're ready for any vet visit, boarding stay, or emergency.

- | | |
|---|---|
| <input type="checkbox"/> Vaccination records | <input type="checkbox"/> Registration papers |
| <input type="checkbox"/> Current medications | <input type="checkbox"/> Microchip number |
| <input type="checkbox"/> Known allergies | <input type="checkbox"/> Recent photos |
| <input type="checkbox"/> Recent weight | <input type="checkbox"/> Medication schedule |
| <input type="checkbox"/> Medical history | <input type="checkbox"/> Family emergency contact |
| <input type="checkbox"/> Vet contact information | <input type="checkbox"/> Travel carrier ready |
| <input type="checkbox"/> Emergency clinic information | <input type="checkbox"/> Favourite food information |
| <input type="checkbox"/> Insurance policy | <input type="checkbox"/> Special care instructions |

Reviewed every 6 months

Keep it simple:

Print this page, tick off each item as you gather it, and store the folder somewhere easy to grab — by the door, in the car, or with a pet sitter.

Emergency Go-Bag Checklist

Pack a bag once and keep it ready by the door — grab it fast if you ever need to leave in a hurry.

Medication

Blanket

Food (2 days)

Medical records

Water

Insurance papers

Leash

Phone charger

Carrier

Favourite toy

A paper folder is a great start.

But emergencies don't always happen at home. Setiora lets you keep your pet's vaccination history, medical records, insurance details, allergies, reminders, and important documents securely stored on your phone — available even without an internet connection — so the information you need is there when you need it most.
