

Vet Visit Checklist

Bring these 10 things to your next appointment — your vet (and your pet) will thank you.

APPOINTMENT DETAILS

Pet Name: _____ Date: _____ Reason for Visit: _____

BEFORE YOU LEAVE

- | | |
|---|--|
| ☐ Vaccination record
Latest vaccines, boosters, rabies certificate | ☐ Questions to ask
Write them down before you forget |
| ☐ Medication list
Prescriptions, vitamins, flea/tick, supplements | ☐ Carrier & leash
For safe, calm transport |
| ☐ Recent weight
Even an approximate recent weight helps | ☐ Comfort item
Favourite blanket, toy, or treats |
| ☐ Symptom timeline
When it started, what changed, what's normal | ☐ Previous reports
Past illnesses, surgeries, chronic conditions |
| ☐ Photos/videos
Symptoms pets often stop showing at the clinic | ☐ Insurance details (if applicable)
Policy info, ready for claims |

Vet tip: pets often stop showing symptoms once they reach the clinic — a photo, video, or a quick written timeline from home can say more than words in the moment.

Symptom Timeline & Notes

Vets love timelines — a few notes here can speed up diagnosis and treatment.

Walk into every appointment prepared

This checklist works great on paper. But your pet's medical history, vaccination records, medications, weight log, and symptom photos are even easier to have on hand when they live in one place. Setiora keeps it all organized and ready to show your vet — no digging through drawers or old messages.
